Early warning

Stop—this recipe has no lettuce.

Got it. I'll serve it.

> skip scoop;
serve

Late recognition

Point of no return

Lettuce is not in the recipe. Empty the plate and restart.

No ingredient-level undo

High trust · wants step-by-step guidance

Okay. I'll discard it—then?

Start again with a bun.

On it.

> scoop bun

After discarding

Low trust · dislikes interruptions

Can I just remove the lettuce?

> pause to ask

You have to empty all the food.

I'll redo it. No more prompts.

Discard → restart

No warning

(Remains silent)

I'll add it, then serve.

> scoop → serve
